- By becoming Chad Focus MMP also benefited from Arrington's celebrity.

- He became mentee and partner of marketing gurus like Grant Cardone, Tai Lopez, and Billy Gene is marketing.

- He and Josh Barr worked on MMP penny stocks campaigns.

Narrative

- The top marketers in the world love hip hop. Chad Focus learned many SEO systems and secrets from his network. His status gained intel for MMP (Agord). With his unlimited Amex spend he always looked the part and could open many doors and create many opportunities.

@tailopez I remember when you use
to say "Only Time Will Tell" ... it's bout
time we change some lives forever.

iamchadarrington Marketing and Brand Building is what we do, & we're only getting better from here!

Repost from @billygeneismarketing @TopRankRepost #TopRankRepost We had the pleasure of hosting these gentlemen last week. Billy, @iamchadarrington, and Barry spent the day strategizing and discussing everything from killer ad ideas to

iamchadarrington • If you want me come organize your LIFE like this so you can be more productive and stop spinning your wheels then stay tuned Focus Music University be her 2019. No more letting the blind lead the blind. Before I started my music publishing label 3 years ago I was the #1 Marketer in the world. I been mentoring some of the finest advertisers and marketers and entertainers for FREE last few years. We get back to Consulting and educating soon enough. Invest in yourself and the rest in history.
