10:29 AM **me:** jesus
Chris: sooo i think im fucked
me: christ

10:32 AM yooooo
keep busting out that investing in wine

10:35 AM **Chris:** the sad thing is, i dont see myself doing much of that until tmw when i have free time
my whole day consists of 2011 to 2012, woohoo!
me: I know u are the production king. Sometimes they don't give u as MUCH CREDIT at being GREAT at what you already do...

10:36 AM I think he's basically saying they won't continue to give raised for just GREAT PRODUCTION work
what do u think

10:37 AM **Chris:** i agree with that
and i understand
but i dont think i can have that spreadsheet finished in time
and im preparing to be yelled at for it

10:41 AM i feel like he's expecting me to produce gold and i havent started digging yet
me: Smh damn.... I think you can actually validate keeping us alive. Your production work is more important than anything. Everything you do has equal importance. He's obviously in no excuses mode.. I don't have a clue what planet matt's been on.. smh I don't know how that will play out. Just give him one success and that'll show u are capable. I KNOW once u get ya feet into anything u a fucking beast. U would be a beast SEO, when they let u/u take control it's going to be problems!!!!

10:43 AM **Chris:** hahaha i agree man
i want to at least do one and make his jaw drop

10:44 AM **me:** Just be like I've managed to produce this and that.. blah blah. And be like in the midst of that work I've been able to generate a number 3 ranking for this investing in wine story which shows I have the technical ability to do seo. All I need is the time to duplicate the process for all my other campaigns.

10:45 AM **Chris:** do you see him taking that nicely though?
i like where your head is, but i think he just sees "you have all weekend, blah blah blah to do this"
"if you wanted it, it would be finished"

10:46 AM **me:** I just know you wantt to approach him with the this is what I was able to get done and what I'm good at approach instead of it's not fair or I couldn't... LOL u know bret too well. Do you agree with him when he's going to say some of those quotes?? Whew weeeee breezy

10:47 AM **Chris:** haha i know what you mean, instead of crying about my shortcomings, highlight my accomplishments

10:53 AM **me:** ;) 5 minutes
damn fuckn skippy
we just gotta go hard
