that was a fun 1 hour wasted lol  
**me**: lol  
**kathryn.anne.oconnell**: Bret wasn't kidding baout shit changing....he hates meetings and so far 30% of my days are spent in meetings  
**me**: was that another "board talk"  
???

**kathryn.anne.oconnell**: ugh.... so corporate, I hate that shit lol  
**me**: lmao  
first of all  
how many times can he say the same thing over and over  
lol i love the routine

11:08 AM **kathryn.anne.oconnell**: seriously!!!!!!!!!!!!  
I just hate how he acts like he knows what he is talking about when it comes to SEO....like it jus pisses me off  
BTW he makes up numbers a lot lol  
i've realized  
but hey, if I'd been here since the start and I knew I was right but just didnt' have the numbers I'd probably make them up too.  
especially if no one was smart enough to challenge me

11:09 AM **me**: and chris's remarks make me shit my self laughing. lauren is dead silent. ur fed up and what palnet is dennis on? lol bret holmes KNOWS ALL THINGS COMPUTERS! we don't get no damn 4k signups. not even close~~~~~ lol I don't have it in me to ever question his presentations  
lol were smart enough to challenege who wants to battle zeus??

11:10 AM **kathryn.anne.oconnell**: you hit the nail on the head  
I told chris this am.... I'm going tback to the tactics I used with my former, micromanaging - bitch women bosses... I told him NO MATTER WHAT BRET asks him... he is always "ON IT".

11:11 AM I was like the only way for him to leave us alone is to prove to him we're always aware of what's going on - so no matter what just be on it AND NEVER EVER EVER EVER ask him a question about SEO  
yesterday at the doctor - you know how they always take ur blood pressure - mine was 98/148 lol  
**me**: haha  
**kathryn.anne.oconnell**: it's usually like 70/100  
he was like... "are you anxious today..." LOL  
hilarious

11:12 AM **me**: I know kerri is a deer in headlights. he's probably driven that girl crazy.. and guess what we won't hire anybody else until atleast april. it's goign to be mayhem in march!!!  
are u ready

11:13 AM **kathryn.anne.oconnell**: yeah....except I'm barely gonna be here I feel like

I'm at SXSW (one reason I keep asking him about Erni) from the 9th - 13 (Friday - Wed) then a family cruise the 23 - 26 (Thursday to Tuesday)  
but shhh...i'm gonna not remind him of that

11:15 AM

**me:** Im gone 7th to 9th for the ncaa tournament. So I guess will both be outta here!

**kathryn.anne.oconnell:** yeah lets keep that on the DL - or at least try not to remind him we're gonna be gone right as he gets back from being out with teh baby and both on the same day...he might have a heart attack

11:16 AM

seriously, without the two of us, what would he do?!

**me:** I bet you he won't come in here and yell at shit!!!! lmao. won't say a damn word. no board talk. that will all wait until we get back and then shit will be getting crazyyyyy! lol
