really he wants results, wants to take the shortcut and I'm responsible for the fall out. Just as
the "brothers" here we gotta play it cool. They ain't saying no shit to the white boys. Lookn
around, wondering what the hell Kat say out her mouth have the time. She sucking my dick
tryna get an idea and then snitching when she don't get her way. Crazy
10:09 AM **dennisjames50**: yeah man it's a little weird here, i got chewed out last week, and my social

a company. Dude this is agora. Everybody at agora think they some entrepreneur that makes
tons of money with great ideas. Keep grinding den. At the end of the day be good with what
you do and work hard. They can't tell me shit. Bust my ass. Katie can snitch all day, that's
why bret pays her. Butif you so busy looking at other people's problems when do you have
time to look in the mirror?
