Hangout with Bret Holmes

December 20, 2013

chad arrington - 12:10 PM

I have it...

Binary Trading Options, Forex. I have something huge I want to talk to you about. Thanks for the christmas gift. Appreciate u. I'm fishing man.

Bret Holmes - 12:12 PM

binary trading option aye?

chad arrington - 12:18 PM

Listen. This is not just the throw it together blah blah. I want to sit down with you and flesh out some stuff. I want to refine this process, so we can scale. Certain loop holes within myself I want to change and it's some strategic stuff I wanted to talk to you about. Definitely after these small projects ... Some next level stuff. Just know those my next targets forex and binary and I want to do it completely with a new strategy.

Bret Holmes - 12:19 PM

can we do it monday

chad arrington - 12:21 PM

Yea of course. You always ask me what I need and what I'm thinking. So yea but just me and you and not even something I'm really sure of getting off the ground until we talk. You got free time and me and u can catch up let me know.

Bret Holmes - 12:22 PM

awesome

i like the way youre thinking

chad arrington - 12:23 PM

I don't sleep. So its a gift and curse. Real talk man I seen this Kern webinar and I'm not scared, we can compete out here. But I have to also be a marketer, it's in my blood man.

Let's go

Bret Holmes - 12:24 PM

word

chad arrington - 12:25 PM

And thanks again for the book gift boss.

Bret Holmes - 2:19 PM

i figured since you and i are dads - we dont get gifts any more
