Hangout with Charles Flagle

July 7, 2014

chad arrington - 9:47 AM

Chuckee Chuck! Laptop session between me and you for 5 min this afternoon. Want u to look at this software with me and let me know what you think later. All was good for July 4th I hope?!

Charles Flagle - 9:47 AM

fuck yeah

yeah mines was good... got fucked up
you?

chad arrington - 9:48 AM

Man all good just finally got some rest and spent time with the junior. Grill and blunts chuck. Not bad at all!

Charles Flagle - 9:49 AM

oh yeah man

me too

same shit... bbq chicken wings, beer blunts & swimming

I gotta talk to you about what I'm doin with the Zeroline mini site too

chad arrington - 9:51 AM

Man I see you just let me know. Everything ok with the family? I know u was out a few days dealing last week

Charles Flagle - 9:52 AM

yeah... I couldn't go to the beach because my dads pretty sick

but it's all good man

just gettin my work on

chad arrington - 9:53 AM

Family first. I understand keep rocking out chuck! Chuck I'm finishing two reports for the website. Anyway you could show me how to pull the net names and total names from the site. Been workn on this stupid report a month. But not if your too busy.

Charles Flagle - 9:54 AM

yeah man

I'm kinda busy right now

But some time today, if that's cool

chad arrington - 9:54 AM

u da man!

just lemme know

Charles Flagle - 10:27 AM

Yo... You're trying to rank the tag page for fb?

So should I not make a stock page for fb?

chad arrington - 10:29 AM

I'm still doing something on nasdaq and street. I think the TAg page is going to be the best bet. But i need the stock chart on that page. Agree?!

Charles Flagle - 10:30 AM

Yeah man... we can easily get you a stock chart on that page

chad arrington - 10:32 AM

Yea I'ma need 500+ fb pr links and permanent. I'm going to ask you about some elements on that page in a second. Thanks again chuck. I have the fb and alibaba campaign im settn up for the rest of the summer.
