From: Todd Brown

Dear Fellow Marketer,

Every A-Player knows: Writing copy is at the foundation of everything we do. *Everything.*

If you don't know how to craft winning copy... you'll struggle to ever experience the thrill of a multi-million-dollar marketing campaign.

That's just a fact.

The marketers who don't know the **real secrets** of writing great copy are the ones constantly on the sidelines envious of the others who're making the millions.

Today is your chance to join that elite group... and **finally become one of the envied ones.**

Because today you have an unprecedented opportunity to get your hands on...

The Most Coveted Copywriting Method

On The Planet!

Agora Inc. is the 800-pound gorilla in the world of direct response marketing.

They started as a small publishing company, and today generate over ONE BILLION DOLLARS in annual sales.

And Agora Financial is the fastest growing division of ALL the Agora Companies.

They generate over **3 MILLION DOLLARS A WEEK!**

Yet, I'll say what nobody else has...

Their tech sucks.

Their web design sucks.

And they're wildly behind in the use of cutting-edge online marketing tactics.

So how and why are they growing at such staggering speed?

For one single reason...

Because they've developed a specific training process over the past decade -- The Agora Financial Copy School -- which is, literally, taking people off the street and...

Turning Them Into Million-Dollar-Plus Marketers & Copywriters In Just Days!

Yes, *DAYS!*

Newbies, who've never written a single word of copy... now cranking-out marketing campaigns bringing in millions.

People with no marketing experience... no copy experience... no creative experience... not even writing experience... and watching them **generate multiple millions of dollars from a single campaign.**

Often, their very first campaign after going thru the Agora Financial Copy School.

Like:

- * **Peter Coyne:** 27-year-old who never wrote any copy before. Banged-out his first campaign in 10 days and it **generated \$4,600,000.**
- * **Matt Insley:** Never wrote any copy before. Banged-out his first campaign in 7 days and it **generated \$10,500,00.**

- * **Robert Phillips:** From Columbia. Banged-out his first campaign in just 2 days and it **generated \$8,100,000.**
- * **Ridge Abraham:** Young kid. Never wrote any copy before. Banged-out his first campaign and it **generated \$7,000,000.**
- * **Evaldo Albuquerque:** A Brazilian native. Wrote one piece of copy before. Banged-out his first AF campaign and it brought-in over 50,000 new customers and **generated \$20,000,000.**
- * **Patrick McKelvey:** Recent college graduate. Banged-out his first campaign and it **generated 20,000 new customers.**
- * **Ryan McGrath:** Wrote some copy before with no big wins. Banged-out his third campaign and it's **generated \$30,000,000 in gross sales.**
- * ... and so many others!

After going thru the Agora Financial Copy School, these marketers and copywriters **don't** struggle to come up with killer marketing ideas...

...they **don't** struggle with writer's block...

...they **don't** struggle writing headlines...

...they **don't** struggle with writing the body of their marketing...

...they **don't** struggle with crafting their offers...

None of that. *They laugh at that!*

After the Agora Financial Copy School... they crank-out campaigns that produce tens of thousands of new customers and **life-altering sales**. And they do it in just days!

And that's exactly why entrepreneurs... marketers... copywriters... and the biggest direct marketing companies in the world... have been trying for years to get their hands on the Agora Financial Copy School process...

Desperately trying to get a mere peek. A glimpse. *Anything!*

It's been a thing of legend in the world of direct response marketing.

But, **no outsider has EVER been granted access.** *Nothing. Nada.*

Until today.

They've Chosen To Reveal Their Secret Copywriting Method Now For A Very Specific & Time-Sensitive Reason...

Fact is: Agora Financial is now growing TOO FAST thanks to their Copy School.

So they're creating several new divisions within the company and launching multiple new copywriting teams simultaneously.

Which means: they need a lot more people they can turn into million-dollar-plus producers. And quickly.

And they believe the most efficient way to do that is to put several hundred people thru their Copy School at the same time. And do it remotely, instead of in Baltimore over the normal two month period.

And they're doing it with...

The Agora Financial Copy School Bundle!

So what is it?

Simply: **The keys to the golden goose!**

Your ticket to knowing how to write copy that pulls-in MONSTER SALES! *The Agora Financial way.*

Everything you need to know and do to have copy that brings-in droves of new customers. *Every time.*

I'm talking about you having **the power to make money almost any time you'd like.** *On demand.*

It's like having the Agora Financial copy team as your accountability coach for two whole months.

And with this... you'll feel confident and secure knowing... your copy is spot-on and primed to produce serious sales for you.

★ **3 months of access to the INTERNAL, weekly Agora Financial Copy Debriefs!**

Every week you can jump on a live copy meeting between Joe, his team, and dozens of the top copywriters and marketers in the world... and listen-in on their **insider discussions** about winning marketing campaigns.

You'll be on live with, and hear from, folks like: John Forde, David Deutsch, David Garfinkel, Doberman Dan, sometimes Mark Ford (Michael Masterson), plus Joe and the AF copy team, and more!

With access to these calls, **you'll be among the first to hear about the newest copywriting and marketing breakthroughs** discovered at Agora Financial and thru their friends and partners.

You'll be among the first to see what new copy angles are crushing-it... what new offers are spiking sales... and even the newest traffic generation methods killing it.

You'll even have the opportunity to contribute ideas to the calls, get your questions answered, or just be a fly on the wall soaking it all in.

Nobody but Agora insiders and invited guests are given access to these private sessions.

These calls are so valuable, no matter what's going on in my schedule, I never miss a single one.

And, now, you'll be there too... and be part of the gang.

Because Of The Value Of This Material... And For Security Reasons...

None of this will be delivered online.

Joe and the folks at Agora Financial do NOT want any of this floating around on the net. They'll take swift and significant legal action before they allow that to happen.

So **this is NOT a downloadable program!**

Everything has been carefully loaded onto monster-sized thumb-drives.

Each, **hand-numbered...**

And your specific Agora Copy School Bundle thumb drive will be shipped to you right away via first-class mail.
