Chad,

These are the links that Katie sent to us last week, and I have attached the excel doc that Charles and Chris sent over to us a couple weeks ago.

Also, here is the link to the project page that Katie and I worked on for you and Sara: <https://code.moneymappress.com/docs/display/PROJECTS/Ranking+Cryptocurrency+Promo>

Thanks!

Aaron

We're going to try and rank 4 pages - 2 versions of each page below:

<https://moneymorning.com/acq/ethereum/the-cryptocurrency-boom-is-a-once-in-a-lifetime-opportunity/> = run as it is but Aaron to verify there is a good fallback set on the /ethereum/ parent page.

<https://moneymorning.com/acq/ethereum/the-cryptocurrency-boom-is-a-once-in-a-lifetime-opportunity-2/> = Chad to seo and get re-approved by Charles. Hardcode promolink into article b/c only Chad will use it.

<https://moneymorning.com/acq/weed/legal-weed-is-creating-a-once-in-a-lifetime-opportunity-3/> = run as it is but Aaron to verify there is a good fallback set on the /ethereum/ parent page.

<https://moneymorning.com/acq/weed/legal-weed-is-creating-a-once-in-a-lifetime-opportunity-4/> = Chad to seo and get re-approved by Charles. Hardcode promolink into article b/c only Chad will use it.
