11:58 AM **me**: on a side note forwarding you some crap to this email. u have no idea I...

10 minutes

12:09 PM **lau.ren.smith.mmp**: re: ur email - waaa?

12:10 PM **me**: i forwarded you an email u get it?

12:12 PM **lau.ren.smith.mmp**: yah, he usually never takes offense to stuff :-/

12:14 PM **me**: it was crazy because he referred to himself as a dick, was acting like one, treating me as one and wen he got condescending he got what he got. Sucks to let somebody get to you. But i guess authority is allowed more leeway and disrespect than everyone else.

12:15 PM **lau.ren.smith.mmp**: yeah... personally, i think things have gotten weird around here very quickly...

weird for people who aren't considered managers at least :-/

12:20 PM **me**: very weird.... weird weird weird... i look at you and dennis and myself and feel like not wanted sometimes. But just keeping you posted, next time bret's getting thrown out of a window or ima be working somewhere else... pray no next time happens! work hard laur I'm just going to not try to be the BIG angry black man, how fitting of a stereotype.

12:25 PM **lau.ren.smith.mmp**: lol! oh lawd! its okay, i believe you are impt (and bret knows that too)... i always defend you if people try to say otherwise. just hang in there! im sure we have more thoughts on this whole thing... but we'll chat about this soon!

me: thanks I boogie. Rock on!!!
