I can work with that Drew. Anyway these guys could add 3 pictures with alt tags (related keyword variations) into the article. It's a good length and unique so I can use.

Drew,,

Check <http://moneymorning.com/tag/penny-stocks-today/> and we need to rewrite these pages to make them 100% unique and pass google copyscape duplicate content issues. I've been sick for a while but I've just returned to work. Let me know what the estimate will be after your team checks the spreadsheet.

I'm trying to outdue this site <http://www.thestreet.com/story/11260181/1/penny-stocaks.html> they are successful ranking #2 on 1st page of google. We rank #12.

Check attachment.

Let me know whatever else you need.
