2:13 PM **George:** Yo
me: Georgiooooooooo
George: what's up man
how's life
how's the kid
2:14 PM **me:** im here baby, alive!!! Little man is 9 months now, just got over a nasty ear infection. Mannnnnn since they shot up my girlfriends police academy class she been in the hose being a nut case. lol. And work... SEND ME TO CONFERENCE pleaseeeeeee lol. Wasup with you bro?!??
2:15 PM **George:** nothing really - just normal shit...
on another note
What's your opinion on selling all the Moneymorning names on the black market and just dipping out of here
me: talk to me
2:16 PM **Imfao!!!**
lmao
you know lauren asked me that one time
2:18 PM **Imfao.** and I can tell u bret has thought about it one time. If i ever stole these names I'd steal them for myself and blast nothing but Coffeeking Work From Home promos until I made 1 million dollars in coffee sales. **Imfao** good one. I only get these chats from people when Bret has absolutely driven them nuts! I hope he ain't gettn on your nerves like that yet, it's only been a year. lol that made my day

2:24 PM **George:** Nah I bring it up because I have the whole file sitting on my desk top right now every paid name and every free name we've got
2:26 PM I also have about 20,000 paid names that are no longer on our file... soooo I mean... it they are no longer on our file... I mean what's the harm in that really?
2:27 PM **me:** lol you have never lied
but think about this
how can you mail to people without being double-opted in
that's where sick people like me come in
we build carbon copy isp emailers and do whatever we want
Georgie wants a benz
2:28 PM you talking bigger money than you know
lol you ever heard anyone say
i'll give you 20k to throw away
nahhhhhhhhhhhhhhhhhhh never
to the outside world agora is king
you have a list you have infinite money. lol
2:29 PM **George:** alright then, I'll just send you the files, and you can send me a benz

2:37 PM **me:** lmao watch this... don't believe me. These old creep buy and sell leads on the black market their whole life... <http://silverfoxleadfactory.com/splash1.php?user=silverfox>
welcome to the IM world!
2:38 PM **George:** haha sketchy as hell
2:43 PM **me:** u already know. smh. Lol u in charge next week! the world is at your mercy!!! lol
2:44 PM

George: I don't know how to do production anymore - I don't know shit about spam... so I hope no one has a question, because I sure as shit can't answer it.
2:45 PM next week could be the week we make our move... steal all the emails, and then blow \$200,000 on coffee king ads on adwords/bing/adblade
2:46 PM we'll move to a non-extradition country and call it quits
no?

2:53 PM **me:** Imao everytime I burst laughing outloud im laughing at this chain
2:54 PM you know was crazy
2:55 PM if you ever did that you would have to work here another 2 years so they never thought nothing of it and suspected you. Imaooooo did you here how bret wanted to dig outthe spam cop lol. how bout those 20,000 name we sign up with wesellgold.com and blast emails till these greedy investors shove commissions down our paypal till we throw up. lol
