Thank you Meg!

Keep me posted on when it's updated. And thank you Chris!

Hi Chad!

We have a new pub that is launching tonight called "The Money Zone" (MZN)

It is a part of Shah Gilani's franchise and is an elite subscription.

We do not have any promolinks to send to you because it has not officially launched, but I will send you those links when we have them.

Chris - can you please confirm that these keywords were updated for semrush.com?

Thank you,

Megan
