Hello Chad,

If you can contact Nils Smith via skype that would be great. We need the two of you to coordinate with the US authorities or on what legal measures.

Dear Mr. Arrington,

Hope you are doing fine.

I am Louise Bangoy, Content Writer and Editor from Virtual Helper 24/7 and General Assistant of Nils Smith of Nils Smith Solutions, New York. I am sending you this email regarding an incident that happened to my boss in the same situation that happened to you. Mr. Randy Bonachita, Manager from Virtual helper 24/7 has informed regarding your experience with Identity Fraud with the person named Jept Torrejas.

I would like to ask if you'd be interested in coordinating with us on taking certain actions and measures to these certain people. Let me know your thoughts about this.

Please feel free to contact me on skype: louisebangoy
